HAIL THE MODERN UNIFORM

Y A C H T W E A R

If your garment has the Liquid label inside, you can be assured that it is designed specifically for yachting. Utilizing UPF protection with quick-dry and performance fabrics, Liquid is the leading edge for stylish, functional uniform.

The latest focus at Liquid is on the innovative Gold line. Taking advantage of newly developed fabrics that optimize comfort and performance, Liquid Gold offers men's and ladies' uniform styles with a clean, slim silhouette, UPF protection, with quick-dri performance and breathability.

Over the past 25 years Liquid has developed into an Internationally recognized brand. With retail stores in both the USA and France, Liquid's capabilities range from outfitting your newly built yacht to resupplying your current uniform requirement.

Up-to-date styles, fabric innovations, and world-wide efficiency are the attributes that elevate Liquid over the competition.
